

THANK YOUS (by email and text)

Thank you for making the lovely \"2-tier presents\" cake for my husband's 40th birthday. It was delicious and a great surprise to him. All guests at our party enjoyed it and we all had fits of laughter at each other's blue tongues from the icing, there are some very wierd photos of guests with their tongues sticking out!!! No worries though, as assured, the staining wore off quickly. I shall be keeping your number and recommending you to others in future. Thanks once again.

Sarah

Hi there, just to thank you again for coming over Saturday with the 2 lovely cakes!

Hope to see you soon, best wishes
Meryl, Venture Farm Cat Sanctuary

Our daughter, Mrs Victoria Stott ordered a cake from you to celebrate our Ruby wedding anniversary last Sunday at Hunters Hall Swanton Morley. Both the cake and the evening were a total surprise and a wonderful evening was spent with some 40 friends and family. Thank you for your part in making the evening so memorable. The cake was delicious.
Many Thanks

Sonya made a Noddy cake for my son Matthew. It was Matthews' first birthday and a very special occasion as we were celebrating him coming into our lives. The cake was perfect, it was Noddy sitting in his car...it took my breath away. Matthew loved it and it seemed a shame to cut it, but we did and it was lovely! Sonya also made a cake for Matthews Naming Ceremony in 2005. Our new daughter Katelyn will hopefully be having her own Naming Ceremony next January; and I will certainly be asking Sonya to do the honours with the cake!"

"Sonya is a pleasure to deal with her cakes are excellent value for money, very professional and well presented (as well as very tasty!), it is good to have so much of a choice. I have used her a couple of times and have recommended her to friends."

Sonya is an artist, her cakes are amazing. I was over the moon with my Harley cake, she had copied the logo perfectly.

Hi Sonya -

The cake was fantastic, everybody really enjoyed it. I certainly had a bit and it was not dry at all. We even cut it all up on the day and had some left over on the Monday - and that wasn't even dry.

Thanks again for a lovely cake....

Kate

Hello,

Just giving some feedback on the cake.

It went down a treat with the party guests and I had comments such as 'This is the best fruit cake I've ever tasted' 'What a lovely cake very moist' and 'delicious'.

I have given those at the party a photo copy of Sonya business card for future reference.

I would like to say on behalf of my wife a big thank you for the effort you put in to making the cake and its design and that her father very much enjoyed eating it.

Kind regards

Andrew Butt

Sonya,

My cake is wonderful, thank you so much. I'm really chuffed to bits with it - you're so clever.
